

Freegold Receives Subscription Agreements for \$3.9 Million Private Placement

August 23rd, 2011 (Vancouver, BC) – Freegold Ventures Limited (TSX: FVL Frankfurt: FR4N) (“Freegold”) is pleased to announce that it has received subscription agreements for a non-brokered private placement of 7,218,536 (“Units”), priced @ \$0.55 per Unit. Each unit will consist of one common share (a “Share”) and one half common share purchase warrant (a “Warrant”). Each whole Warrant will entitle the holder to acquire an additional Share at a price of \$0.75 for a period of one year from the date of closing. Each warrant is subject to accelerated expiry provisions such that if at any time after the expiry of any resale restriction governing the subscribed shares, the Corporation’s common shares trade on the TSX at or above a volume weighted average trading price of \$1.00 per common share for 30 consecutive trading days, the company may give notice to the holders that each warrant will expire 30 days from the date of providing such notice.

Under the private placement, current Insiders purchased 62,972 Units which, assuming exercise of the Warrants, results in 31,486 shares being issued to such insiders, representing 0.19% of the outstanding shares of the Company. The closing of this financing will take place as soon as possible. A finder’s fee of 8% will be paid on a portion of the placement. The foregoing is subject to regulatory approval.

The Company would like to thank its shareholders for their continued support.

About Freegold Ventures Limited

Freegold is a TSX listed company focused on the exploration of gold projects in Alaska. In addition to the Golden Summit Gold Project, the company holds a 100% in lease interest in the Rob Gold Project near the Pogo Gold Mine in the Goodpaster Mining District of Alaska and has an exploration agreement with option to lease the Vinasale Gold project in central Alaska.
